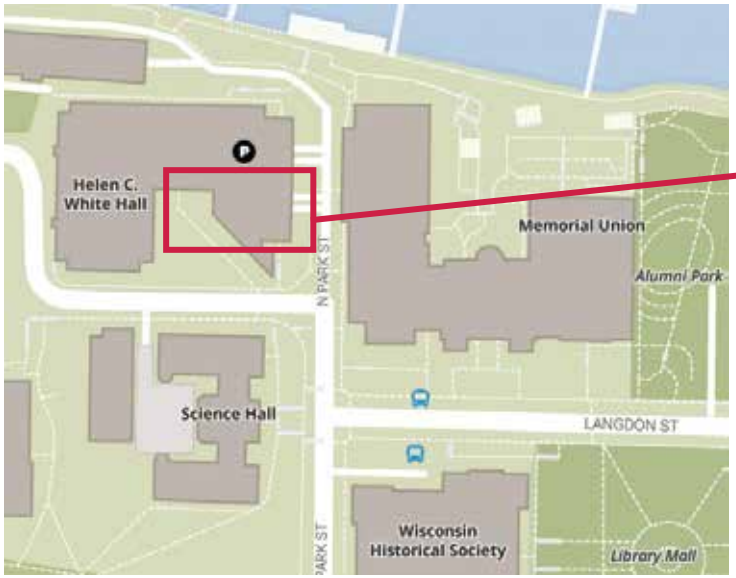
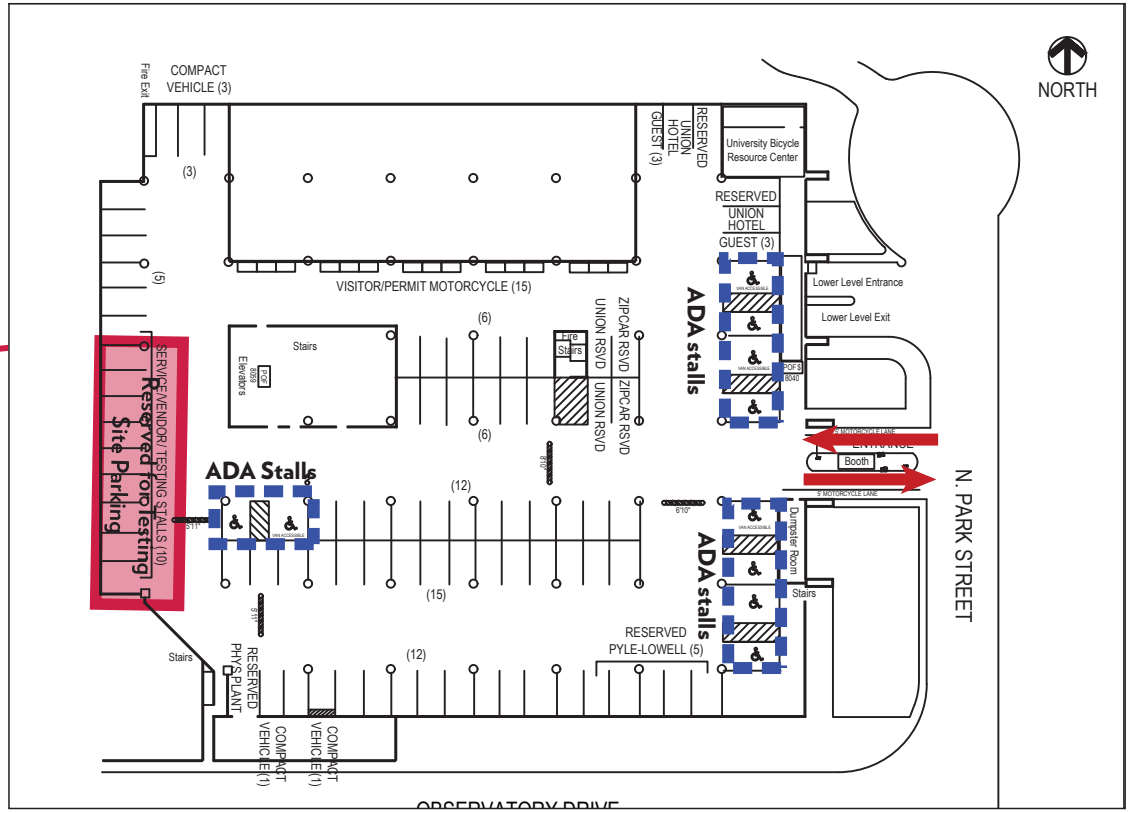
COVID-19 TEST SITE PARKING
HELEN C. WHITE HALL || LOT 6 (UPPER)

Parking is available without cost to those coming to be tested at a UW COVID-19 testing site.

Lot 6 (HC White Garage) is a gated facility. The reserved parking area for testing site parking is in the "upper" level of Lot 6; use the first driveway to enter the upper parking level. Pull a ticket to enter the lot and pick up a validation at the test registration to cover the cost of parking. Use the validation to exit the lot.




ONLY PARK IN DESIGNATED STALLS. Each reserved stall is marked with a special sign (see image at right). (Note: the reserved stalls at this location are shared with service and vendor vehicles.) ADA parking is available in signed stalls with a valid DOT plate/placard; ADA stalls are located immediately to the left or right upon entering the lot and on the west side of the lot near the testing site stalls and elevator vestibule. Regular parking rules apply if you park in areas other than the designated stalls, and you may be subject to citation and/or payment of any associated fees.
