COVID-19 TEST SITE PARKING
GRAINGER HALL || LOT 61*

Parking is available without cost to those coming to be tested at a UW COVID-19 testing site.

Lot 61 is located off Clymer Place, between N. Park and N. Brooks Streets. The approximate street address is 930 Clymer Place. Note: Clymer Place is a one-way westbound street; you can reach Lot 61 by coming onto Clymer Place off Bernard Court (reach from W. Dayton Street) or southbound N. Park Street.

ONLY PARK IN DESIGNATED STALLS. Each reserved stall is marked with a special sign (see image below). Regular parking rules apply if you park in areas other than the designated stalls, and you may be subject to citation and/or payment of any associated fees.

*The Grainger Hall testing site parking location changed from Lot 7 due to current Grainger Hall building security practices limiting options connecting the parking garage to the building, especially for those who need elevator access.
