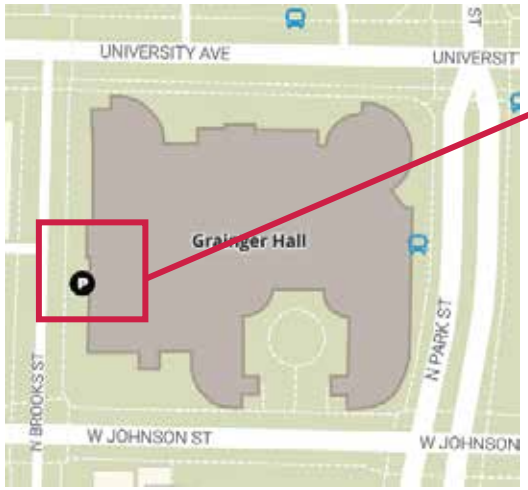
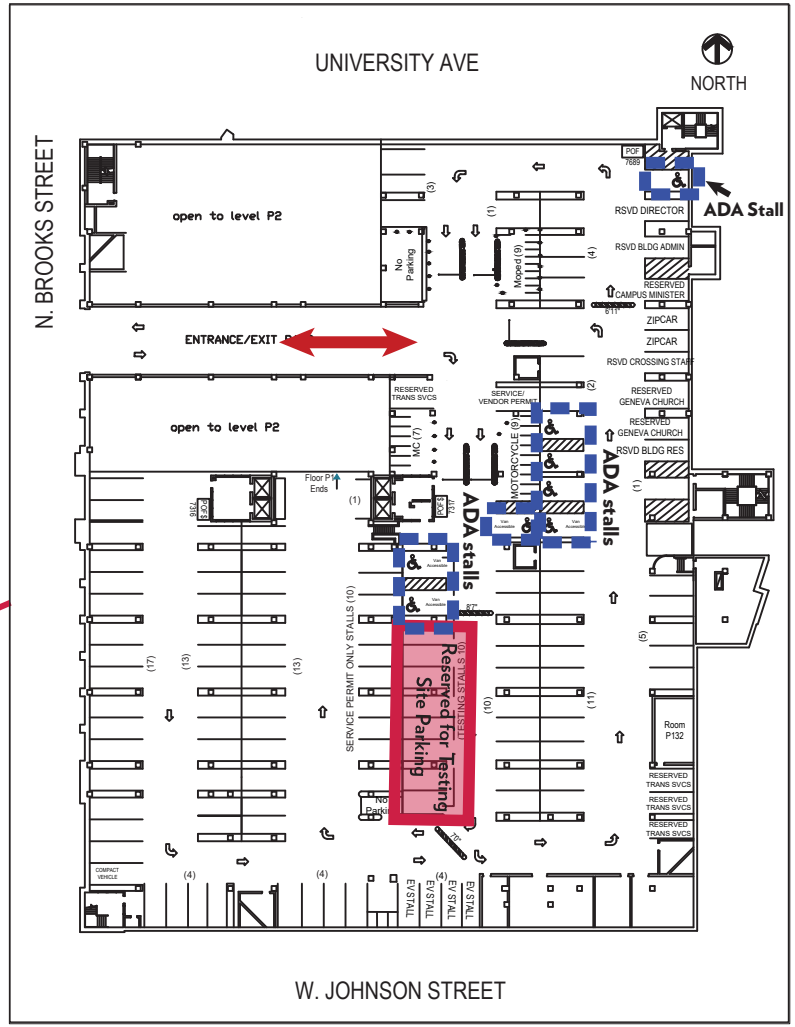
COVID-19 TEST SITE PARKING
GRAINGER HALL || LOT 7

Parking is available without cost to those coming to be tested at a UW COVID-19 testing site.

Lot 7 (Grainger Hall Garage) is a gated facility. Pull a ticket to enter the lot and pick up a validation at the test registration to cover the cost of parking. Use the validation to exit the lot.




ONLY PARK IN DESIGNATED STALLS. Each reserved stall is marked with a special sign (see image below). ADA parking is available in signed stalls with a valid DOT plate/placard; ADA stalls are located just after the entrance, with additional stalls in the row as you head toward the garage exit. Regular parking rules apply if you park in areas other than the designated stalls, and you may be subject to citation and/or payment of any associated fees.
