

# COVID-19 TEST SITE PARKING UNION SOUTH || LOT 80

Parking is available without cost to those coming to be tested at a UW COVID-19 testing site.

Lot 80 (Union South Garage) is a gated facility. Pull a ticket to enter the lot and pick up a validation at the test registration to cover the cost of parking. Use the validation to exit the lot. The reserved parking area - formerly Union South hotel parking - will be to the left (north) once you go down the ramp. Please note: Union South elevators are not available to reach the testing site. Access connecting Lot 80 and a path to the testing site is only available via the north-central staircase.

**ONLY PARK IN DESIGNATED STALLS.** Each reserved stall is marked with a special sign (see image below). Regular parking rules apply if you park in areas other than the designated stalls, and you may be subject to citation and/or payment of any associated fees. Note: due to no elevator connection between Lot 80 and Union South, ADA parking is available in Lot 113, the circle drive north of the intersection of Dayton Street and Orchard Street.

Lot 113 - unloading zone and ADA parking
