**Parking in Lot 34 is free**  
Or you may park in front of Carson Gulley Center in a parking space with a sign that says in English: COVID-19 Testing

### **More information:**

Cultural Linguistic Services will provide interpretation services at the clinics in Spanish, Hmong, Tibetan, Nepali and Chinese at the clinics.

You do not need to make an appointment. The vaccine is free.

Your human resources department knows you are approved to get your COVID-19 shot during work hours. They may tell you what time they want you to go.

You will need two shots to be protected from COVID-19. Your second shot will be given to you later in April. You will get a date for the second shot when you are at the clinic for your first shot.

Getting a COVID-19 vaccine is not required. The vaccine is safe and effective.

If you have already received a COVID-19 shot somewhere else, do not get one at the University Health Services clinic.

There will be more vaccine clinics for 2<sup>nd</sup> and 3<sup>rd</sup> shift employees at a later date.

If you have questions, call the COVID Assistance Line at 608-262-7777 or Cultural Linguistic Services:
