

# INTERNATIONAL STUDENTS TRAVELING FROM OUTSIDE THE U.S. TO MADISON TESTING/VACCINATION GUIDE (6.29.21)

## STUDENTS LIVING IN RESIDENCE HALLS

All air passengers coming to the United States, **including** U.S. citizens and **fully vaccinated people**, are currently required to have a negative COVID-19 test result no more than 3 days before travel or documentation of recovery from COVID-19 in the past 3 months before they board a flight to the U.S.

To learn more about free COVID-19 testing and vaccinations offered by University Health Services (UHS) go to <https://www.uhs.wisc.edu/>

If you have already been vaccinated and want to know if your vaccine is approved by the FDA or the World Health Organization, go to the [Emergency Use Listing](#).

I am fully vaccinated with either an FDA or WHO approved vaccine

- [Upload your vaccine information](#) with UHS prior to arrival
- Self-monitor for symptoms after arrival – movement is not limited
- Test on campus 3-5 days after arrival
- No ongoing testing requirements

I am partially vaccinated with either an FDA or WHO approved vaccine

- [Upload your vaccine information](#) with UHS prior to arrival
- [Contact UHS](#) ([uhs@uhs.wisc.edu](mailto:uhs@uhs.wisc.edu)) to determine next steps to become fully vaccinated - you will not be able to receive a second dose until after you test negative and the appropriate time between doses has passed
- Self-monitor for symptoms after arrival – movement is not limited
- Test on campus 3-5 days after arrival
- Once fully vaccinated – no ongoing testing requirements
- If you do not finish your vaccination series – you will be considered non-vaccinated and will be required to test weekly

I am vaccinated with a non-FDA or WHO approved vaccine

- [Contact UHS](#) ([uhs@uhs.wisc.edu](mailto:uhs@uhs.wisc.edu)) to determine next steps to become vaccinated with an FDA or WHO approved vaccine – you will not be able to receive a vaccination until after you test negative and the appropriate number of days has passed since your last dose of a non-FDA or WHO approved vaccine
- Limit movement after arrival until you receive a negative test
- Test on campus 3-5 days after arrival
- Once fully vaccinated – no ongoing testing requirements.
- If you choose not to be vaccinated with an FDA or WHO approved vaccine - you will be required to test weekly

I am not vaccinated

- Limit movement after arrival until you receive a negative test
- Test on campus 3-5 days after arrival
- After a negative test, you will be eligible to be vaccinated with an FDA or WHO approved vaccine - vaccines will be available on campus through UHS
- Once fully vaccinated – no ongoing testing requirements.
- If you choose not to be vaccinated - you will be required to test weekly
