

INTERNATIONAL STUDENTS TRAVELING FROM OUTSIDE THE U.S. TO MADISON TESTING/VACCINATION GUIDE (8.19.21)

STUDENTS LIVING OFF CAMPUS

All air passengers coming to the United States, **including** U.S. citizens and **fully vaccinated people**, are currently required to have a negative COVID-19 test result no more than 3 days before travel or documentation of recovery from COVID-19 in the past 3 months before they board a flight to the U.S.

To learn more about free COVID-19 testing and vaccinations offered by University Health Services (UHS) go to <https://www.uhs.wisc.edu/>

If you have already been vaccinated and want to know if your vaccine is authorized by the FDA or listed by the World Health Organization, go to the [Emergency Use Listing](#).

I am fully vaccinated with either an FDA-authorized or WHO-listed vaccine

- [Upload your vaccine information](#) with UHS prior to arrival
- Recommend self-monitor for symptoms after arrival – movement is not limited
- Recommend testing on campus 3-5 days after arrival
- No ongoing testing requirements

I am partially vaccinated with either an FDA-authorized or WHO-listed vaccine

- [Upload your vaccine information](#) to UHS prior to arrival
- [Contact UHS](#) (uhs@uhs.wisc.edu) to determine next steps to become fully vaccinated - you will not be able to receive a second dose until after you test negative and the appropriate time between doses has passed
- Recommend self-monitor for symptoms – movement is not limited
- Recommend testing on campus 3-5 days after arrival
- If you complete your vaccination series off campus, [upload your vaccine information](#) with UHS
- Weekly testing is required until fully vaccinated (14 days after a one-dose vaccine or second of a two-dose vaccine)

I am vaccinated with a non-FDA-authorized or WHO-listed vaccine

- [Contact UHS](#) (uhs@uhs.wisc.edu) to determine next steps to become vaccinated with an FDA-authorized or WHO-listed vaccine - you will not be able to receive a vaccination until after you test negative and the appropriate number of days has passed since your last dose of a non-FDA-authorized or WHO-listed vaccine
- Recommend self-monitor for symptoms after arrival – movement is not limited
- Recommend testing on campus 3-5 days after arrival
- Weekly testing is required until fully vaccinated with an FDA-authorized or WHO-listed vaccine (14 days after a one-dose vaccine or second of a two-dose vaccine)
- If you get vaccinated off campus with an FDA-authorized or WHO-listed vaccine, [upload your vaccine information](#) with UHS
- Weekly testing required if not vaccinated with an FDA-authorized or WHO-listed vaccine

I am not vaccinated

- Recommend self-quarantining/self-monitoring for 7 days after arrival
- Recommend testing on campus 3-5 days after arrival
- If test is negative, recommend get vaccinated with an FDA-authorized or WHO-listed vaccine - vaccinations will be available on campus through UHS
- If you get vaccinated off campus with an FDA-authorized or WHO-listed vaccine, [upload your vaccine information](#) with UHS
- Weekly testing requirements are in place for all who are unvaccinated
